Le piramidi di numeri

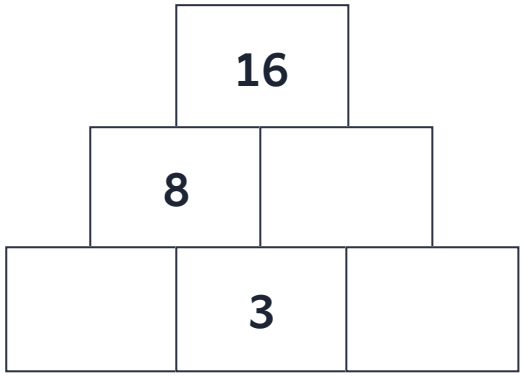

MATEMATICA | 1ª

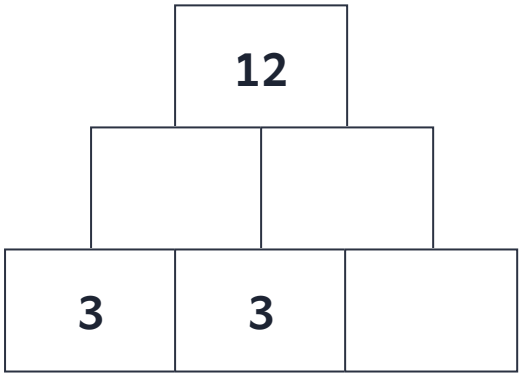

NOME _____

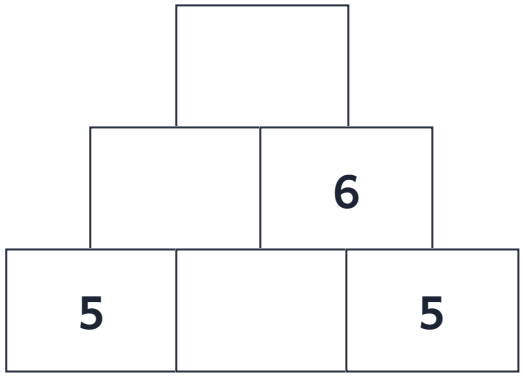

DATA _____

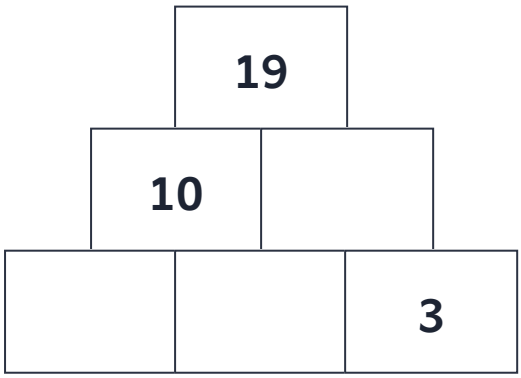

Completa i mattoni vuoti: sopra va la somma dei due mattoni vicini di sotto.

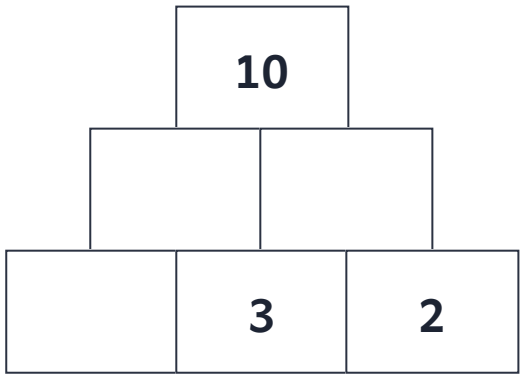

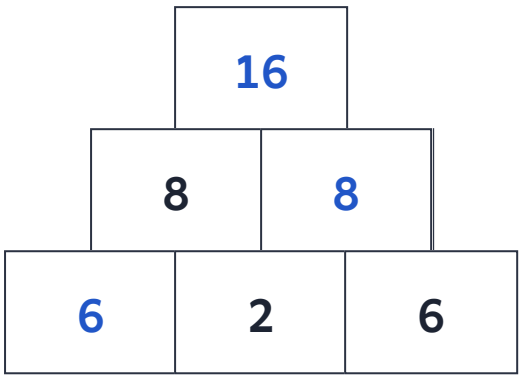

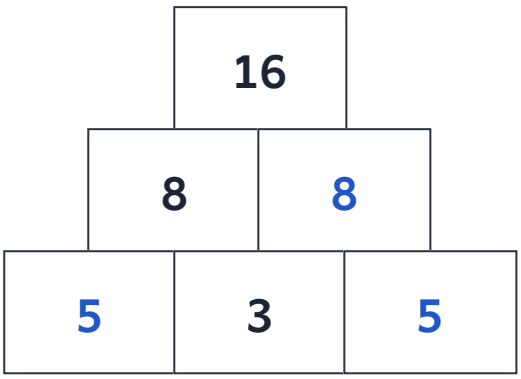

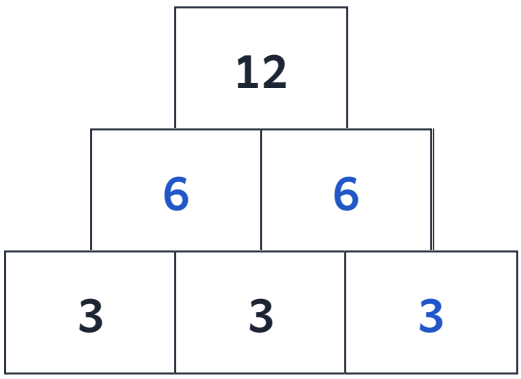

Ogni mattone è la somma dei due mattoni che stanno sotto. Se conosci il mattone sopra e uno sotto, trovi l'altro con la sottrazione.

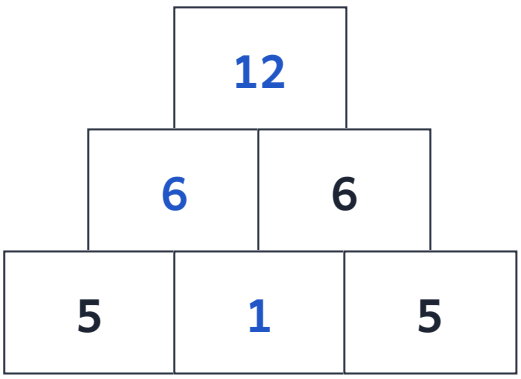

Le piramidi di numeri

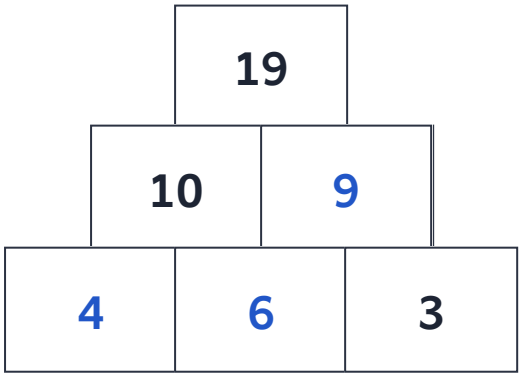

SOLUZIONI

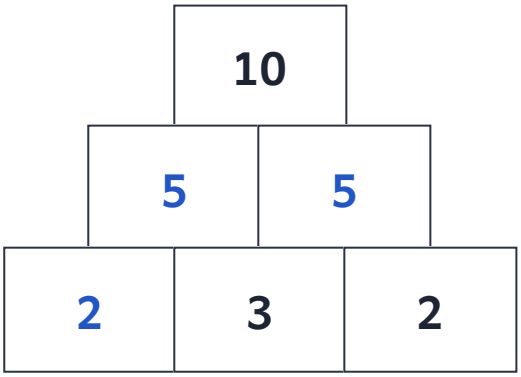

Ogni mattone è la somma dei due mattoni che stanno sotto. Se conosci il mattone sopra e uno sotto, trovi l'altro con la sottrazione.
